

Welcome to RJS

Welcome to our school!

Rowner Junior School is proud to be a part of the Gosport and Fareham Multi-Academy Trust (GFM), which we joined in September 2018. The GFM includes Gomer Junior School, Brune Park and Bay House Secondary Schools and Lord Wilson Special School.

Our school is located upon an extensive site in Gosport which we share with Steady Steps pre-school and Rowner Infants School.

We are very proud of our school. We all work together to ensure that it is a safe, happy place to be where everyone is encouraged to learn successfully. Our children are well behaved, polite and motivated. Parents are supportive and interested in their child's learning and staff are positive and hard-working.

This website is a means for you, as a parent or visitor, to share in the success and efforts of all our pupils, staff, governors and parents. Our website will also give you some basic information about the school and keep you informed about what is currently happening within it.

No website can really give you a complete feel for our ethos and atmosphere. Therefore, I would encourage you to contact the school to arrange a visit.

Thank you for taking the time to look at our website.

Kerry Payne - Head Teacher
